

REGISTRATION PROCEDURE TRAINING AND MATCH DAY

Contract tracing is a way of slowing the spread of infections by identifying people who have been in contact with an infected person and we therefore strongly recommend that all members, volunteers and visitors who attend any of our venues or training subscribe to the Government's COVID-19 tracing app.

The club has adopted the following contactless QR Code Check registration system for training, matches and club rooms. All players, members, volunteers and visitors attending any of the above are required to register using the clubs QR Code venue check-in/check-out app.

The following QR Code will be prominently located at all club grounds, training facilities, club rooms and at away venues;

Anyone who does not have a mobile phone can still use the QR Code app registration. The Safety Officer, Safety Coordinators, Coaches or a designated Registration Officer can register you via the app. You should approach one of the above people once you arrive at any venue or training to ensure that your attendance is registered.

Note: [Attendance information is collected in accordance with Sunshine Heights Cricket Club's Privacy Policy.](#)
